

Calibration Test

Calibration Lab

member of Deniz Service

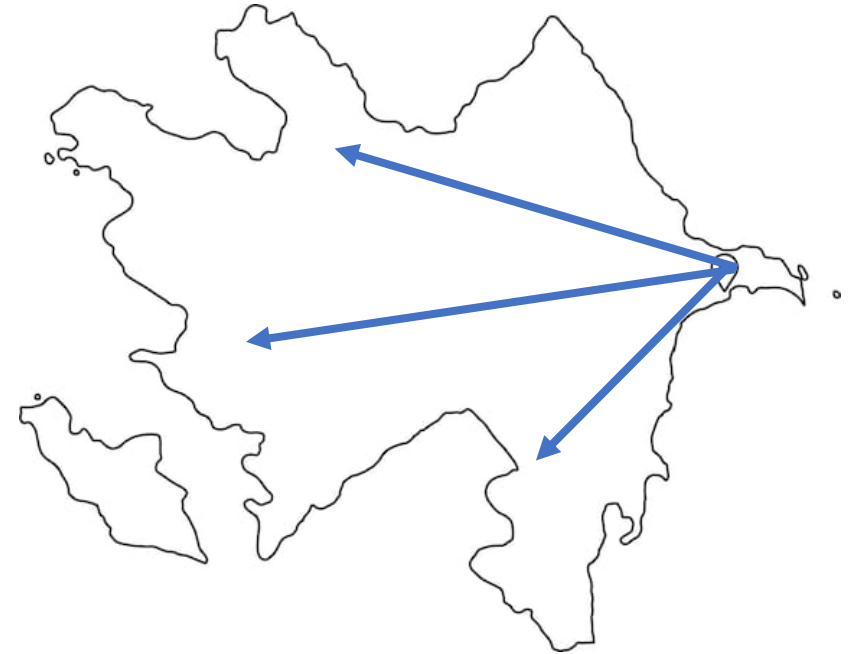

CalLab - who we are

- State-of-the-art laboratory
- Strong technical competency
- Calibration, test and verification services
- Full accreditation as per AZS ISO/IEC 17025:2020
- ISO certified management system
- Established in 2020
- Member of Deniz Service LLC

CalLab - what we deliver

- In-house and on-site:
 - Calibration
 - Verification
 - Testing
- Onshore and offshore services
- Countrywide and international coverage

CalLab - industries we serve

- Oil & Gas
- Power & Transmission
- Manufacturing
- Marine
- Telecommunication
- Aviation
- Pharma
- Food

CalLab - our labs

- Pressure
- Temperature
- Electrical
- Mass / weight
- Dimensional
- High Voltage
- Torque
- Noise
- Load
- Gas
- Volume

Pressure lab

- Digital and analog manometers
- Differential manometers
- Pressure transmitters
- Vacuum meters
- Pressure differential switch

Electrical lab

- Multimeters
- Voltmeters
- Clamp meters
- High voltage
- Frequency meters
- Signal generators
- Earthing testers
- Isolation testers
- Energy generators
- Watt meters
- Leak testers
- Milliohm meters
- Resistance meters
- Welding gauges

Temperature lab

- Digital thermometers
- Temperature calibrators
- Resistance thermometers
- Glass thermometers
- Temperature transmitters
- Temperature regulators
- Climate chambers, baths
- Temperature switches
- Radiation thermometers
- Thermal cameras
- Pyrometers

Dimensional lab

- Calipers
- Depth calipers
- Micrometers
- Surface planers
- Depth meters
- Analogue gauges
- Thickness gauges
- Distance measuring gauge
- Paint thickness gauge
- Rulers
- Measuring tapes
- Meter sticks

Dimensional lab

- Orifice plates
- Go/no-go gauges
- Ring gauges

Mass / weight lab

- Digital weights
- Analogue weights
- Analytical weights

Torque lab

- Torque wrenches
- Thread wrenches

Range: 0-3000 NM

Gas

- Gas transmitters
- Gas analyzers
- Gas signal gauges
- Gas detectors

Miscellaneous

- PH meters
- Conductivity meters
- Noise meters
